Anticipated 2020 Season – June 17th through September 7th

Watch Hill Fire District Taxpayer/Property Owner Options:

Welcome to the 2020 Season at the Watch Hill Merry-Go-Round and Beach! If you are a WHFD taxpayer/property owner, you are defined as a Fire District Member at this beach. Here are a few options to add to your enjoyment of the Merry-Go-Round Beach and its Bathhouses.

If you are interested in beach access only, you and your registered WHFD taxpayer/property owner family members will stop by the Merry-Go-Round Beach ticket window each day and sign the Fire District Member log. The log will ask for WHFD taxpayer/property owner name and address in addition to their own name. There is no charge for beach use by Fire District Members. Fire District membership covers two adults and their children up to and including age 25 who are residing in a WHFD property for the summer season. This option does not include extended family, renters of your property, family members over the age of 25, or house guests. Please contact us in advance re: Extended Family, Renters, Family Age 26 and up, and Guests. We are happy to make every effort to accommodate your needs and to welcome them to the beach, too.

If you are interested in renting a Bathhouse or one of our new Beach Boxes to add to your beach experience, please select from the menu of size options. There is a fee associated with Bathhouse/Beach Box rental. Renting a Bathhouse/Beach Box for the season allows you to have an assigned location to store your beach chairs, beach umbrellas, and beach toys, etc. If you were not a 2019 Season Bathhouse renter, then your name will be added to the 2020 Waitlist. We expect to move to the Bathhouse/Beach Box Waitlist by May 18, 2020 and have all available 2020 Bathhouses/Beach Boxes assigned by June 17, 2020 or sooner. If you were a 2019 Season Bathhouse renter, then please select your option and submit payment at time of registration.

The Watch Hill Merry-Go-Round and Beach anticipates opening for the season on Wednesday, June 17, 2020. From June 17th onward, our goal is to be open daily through Labor Day Monday, September 7. We placed an order for another sunny summer. In the event that our order is not filled, we will need to close the beach, bathhouses, and/or merry-go-round in rain conditions or if directed to do so by the Watch Hill Fire District or the State of Rhode Island.

On the Fire District Member Census Form, please register each person that will have access to the beach under your Fire District membership status and to your Bathhouse/Beach Box if you opt to rent one. If someone is using your bathhouse or the beach and not one of your registered/paid users, then you will be responsible and billed for their daily beach admission at the 2020 daily rates.

Please follow us on social media and our website for updates on operations and for fun. We are all looking forward to Summer! This one more than ever.
